She's a vision in pink and she likes putting the pink inside her – especially her vibrator. Like most girls of her sexual appetite Michelle never leaves her trusty toy at home and always has it to hand for that impromptu mucky moment. "I prefer my plastic toy to the real thing," she tell us. "It's always there for me, it does the job I ask of it and never answers back. But that doesn't mean I won't go near a real dick when I get the chance. Last night I had the best of both worlds. My fella came round and did me up the arse while I stuck the vibrator in my twat!"

Neal and Andy have got April on her back with her mouth wide open. They're fingering her as they wank into her mouth, which is eventually filled with loads of hot salty spunk.

April swallowed it all and sucked every remaining drop out of their cocks. I then added my load into her willing mouth.

Now we're looking forward to meeting the 27th bloke to join us. His name is Errol and he's a black guy with a huge cock. Sue can't wait to take it all down her throat.

I thought I would write in to tell you about the first time my wife shaved her pussy. She is a brunette and her pussy was like a big old rug.

I didn't mind it too much but I wanted to know what her cunt would be like to lick and fuck if she shaved it all off.

After weeks of begging the day came when she agreed to shave her pussy and I was dying to see her slit with her bald meat curtains on full display.

We had got everything ready when there was a knock at the door. Chloe told me she had invited her friend

Rose over as she'd had a bald cunt for years and had offered to shave my wife's for her. This instantly made my cock rock hard.

We went into the lounge where Chloe was laying on a towel with her hairy mound facing us.

Not to feel out of place Rose peeled off her jeans and her thong to reveal a beautifully shaven pussy.

Rose got between Chloe's

legs and squirted some shaving foam all over her rug and proceeded to rub it in. When she let her hand linger on Chloe's clit it sent a shudder through my wife's body.

The mere sight of this hap-

I just wanted to get down and suck them but Rose said it was her privilege and moved her own cunt over my wife's face.

I watched in desperation as they ate out each other's bald cunts. They seemed so engrossed in each other it was like I wasn't there.

But I was determined I was not going to let this opportunity pass and as my wife tongued Rose's clit I shoved my whole nine inches deep into Rose's wet, bald cunt.

Chloe sucked on my balls as I fucked her mate good and proper. It didn't take long to make Rose cum and my wife's mouth was flooded with hot cunt juices.

I pulled my cock out of Rose's twat and let her kiss Chloe before I got a taste of my wife's freshly-shaven mince.

It was absolutely fantastic and I could have licked it for hours but Rose had started

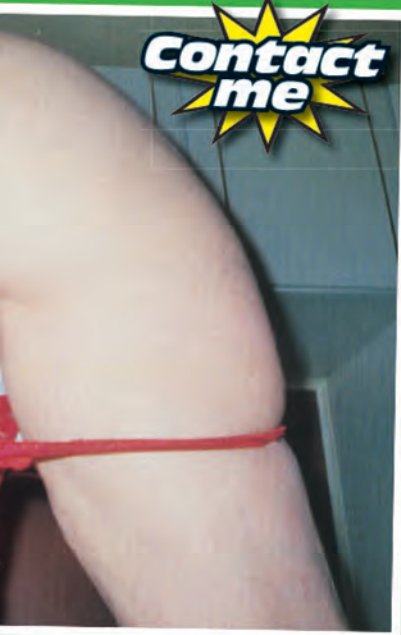

sucking my cock and I was near bursting point.

I told them I wanted to cum inside my wife so Chloe opened her legs and let me slip my cock in.

After some frantic pounding I spewed my seed deep inside Chloe. As it ran out Rose was there to lick it up and used this as an excuse to continue licking my wife's pussy all evening.

pening was too much for me so I pulled my cock out and started wanking.

Rose began to shave Chloe's pussy with one hand while the other was rubbing her clit and pushing a finger or two up her soaking wet cunt.

Chloe was loving this. Rose just had to run the razor down each side of my wife's meat curtains, which made them stand out even more.

BEHIND THE SCENES AT ESCORT

Some girls have all the luck and our ever-enthusiastic editorial assistant Julia Jones is no exception. She gets sex toys, mucky DVDs and your pervy pics by the lorry load – but she wants more! Feed her need by sending stuff to Escort, 2 Archer St, London W1D 7AW.

BRITAIN'S GROT TALENT

Ladies and gentlemen, welcome to Britain's Grot Talent, our search for the most wank-worthy wives in the UK. Unfortunately Amanda Holden wanted nothing to do with Escort's quest for quality quim talent so you'll have to make do with Julia Jones' sexpert judging prowess. But your vote counts too. Just tell us which one of these lovely ladies you'd like to Ant and Dick and we'll make sure she puts on a right royal performance in a future issue! Send your votes to our usual address or e-mail escort@paulraymond.com!

Letters to Julia

Dear Julia, Being new to Escort, may I say it's the best magazine I've ever read. The girls are all so sexy, especially that Kacie in vol 29 no 6. She has such a sexy body that I can't stop looking at her picture and that sexy look she is giving, like she is trying to say come and fuck me. Every time a new issue comes out I get a hard-on just thinking about the girls that will be in it. Is there any chance you may appear in an issue showing us your naked body? I bet you look really sexy naked.

Peter, Co. Durham.

Julia says: So you're a betting man, Peter. Well, if you play your cards right and keep punting on Escort you might come up lucky

and see me in the nude. Fancy a gamble?

Dear Julia, Just a few lines to say thanks to you and your staff for listening and taking notice of us readers by putting more photos of mature ladies like the lovely Elenor and Tammy in Escort. But you could do

with a few more. I'd particularly like to see a couple of mature ladies posing together. Perhaps even have up to four having some messy fun with custard, chocolate, etc. Anyway, keep up the good work!

Fred, Watford.

Julia says: We do our best, Fred, but lovely mature ladies who want to pose together are few and far between! I might have to get back in front of the camera after all!

We've seen some fashion faux pas in our time (which is why we prefer birds with their kit off) but this pair haven't got a bloody clue! See their further wrongdoings on p. 41.

And wipes clean afterwards. Priced at under £50, you can find it at www.emotionalbliss.com!

ROCK AROUND THE COCK!

If tats, twats and hi-hats sound like your idea of a good night out then you'll have a good night in with *Groupies*, a rock and cock-fest available now from Union Films. UK girls Kiesha Kane, Shay Hendrix and Tallulah Tease are among the girls playing star-struck slappers who'll do anything to get a private performance with their favourite band. For the real musos there's even a scene which features a girl drummer giving her pal a rimshot with a drumstick!

REAL WIFE SEX

Sasha, 22,
Guildford

You can't beat boshing a bit of posh totty – and that's exactly what Sasha's boyfriend does...

When I first got together with my bird Sasha all of our friends said it wouldn't last. She was a bit of posh totty who went to a private school and loved riding horses while I left school at 15 and loved betting on horses.

Her mates said I was only into her for her money, my mates said she was just trying out the novelty of a bit of rough. They all agreed it would never last. What none of them knew however was that we had the best sex ever and is the reason why we're still shagging away.

I have to say Sasha is probably filthier than I am in the bedroom. I say the bedroom but she doesn't mind where we do it. When she's feeling horny we end up doing it in the kitchen, the bathroom, the garage, the pub toilets and even in the grounds of her parents' estate.

I'd fucked a lot of girls before I met Sasha and none of them had ever let

me do them up the arse. She let me get my brown wings on the first date!

Anyway, I've got to tell you about the shag we had the other day. I wouldn't say it was the best or the craziest fuck we'd ever had but it's typical of what Sasha and me get up to – most nights.

Sasha is still a keen horse rider and she's got all the gear. While I don't accompany her on her visits to the stables I do like to see her dressed up in her jodhpurs. They show off the outline of her perfect arse and get me hard every time.

Last week Sasha came back from riding and she was still in her gear. I could see it was wet between her legs and while I know this was probably sweat I suspected it could be something else. It must have been because Sasha told me she was feeling

rather horny – and wanted to ride my common dick.

I love it when she emphasises her posh demeanour, it's what attracted me to her in the first place. She treats me like her servant and I have to do everything she wants.

I primed her flaps with my spit

On this particular occasion she wanted me to get undressed – but not to touch her. I did as she said but couldn't conceal the fact that I already had a raging stiffy. When she saw it she gave it a gentle tap with her riding crop.

Then she ordered me to turn around and whipped my bum a couple of times before blindfolding me with her silk scarf. I couldn't see a thing but had the image of her fine body in my mind.

BI SQUA

Sasha must have got naked because I then felt her body press against mine. She still had the riding crop and trailed it down my chest and over my stomach before reaching my stiff cock.

Then I felt her lips wrap around my bell-end. When it comes to sucking my cock Sasha isn't shy and she went to work on my fella with her usual enthusiasm. Her hands cupped my balls and often crept round to my arse, squeezing my cheeks or prodding my ring.

Every so often she would take my cock out of her mouth, tap it with the

more. Her legs were clamped around me and she was pulling my head closer on to her snatch. By the time she let me go my face was smothered in her sweaty cunt juices.

I pulled away and stood up with my cock pointing forward. Sasha opened her legs as wide as they would go and watched with glee as I guided my cock into her pussy.

I gave her my dick to taste

While our social upbringings aren't exactly identical, my cock and her pussy have always been a perfect match. I slipped right up her hole and in a matter of seconds I was pounding away faster than her horse could gallop.

Sasha let out a string of excited expletives, never compromising her posh accent. This turned me into a right filthy bastard and if she was to speak like she had plums in her mouth she was going to get my plums in her mouth.

I pulled my cock out of her cunt and dropped my balls in her gob. "Suck 'em," I ordered. Sasha mumbled something and then I felt the pull on my dangling ball bag.

WE ALLOR!

riding crop and then suck the whole lot again.

"Now you can lick my pussy, you cretin!" Sasha barked as she undid the blindfold and gave me a glimpse of her gorgeous snatch.

I could never get tired of looking at Sasha's beautiful cunt and I was certainly up for licking it at every opportunity. My tongue shot out like a lizard's as I primed her flaps with my spit.

Using a combination of my tongue and my fingers I soon got Sasha begging for

Slit stop

Me and my fella love having sex in the great outdoors. It really turns us on to fuck in public places and we're always doing it somewhere we might get caught.

Take last week, for instance. We were driving back from visiting a friend and it was a lovely summer's day. I told

already had a massive boner. I told him if he could catch me then he could fuck me and I raced off.

It didn't take long for him to catch up with me and I felt him grab my arse. I stopped, turned round and dropped to my knees.

Kevin shoved his cock in my gob and I gave him a sloppy blow-job. I squeezed his balls with one hand while

Contact me

Kevin to stop the car in a lay-by so we could stretch our legs – but secretly I wanted something else stretched.

I told Kevin we weren't in a rush and suggested we take a stroll through the adjacent cornfield. Of course, the crop was just high enough to hide us from the road so the minute we were out of view I was stripping off.

Kevin followed suit and

fiddling with my own clit with the other.

No one could see us from the nearby road but I wished they could because I would love to be caught in a situation like this.

My pussy was now nice and loose so I told Kevin I wanted him to fuck me. He pulled his willy out of my mouth and told me to get on to all fours.

Jenny, Bristol

He took me from behind and started fucking me. I shuddered with each thrust, made all the more horny by the fact that we were out in the open.

"Scream really loud while I fuck you," demanded Kevin, delivering long hard strokes.

I did as he said and screamed my bloody head off as he brought me to orgasm. It was brilliant because I could be as loud as I liked and the sound would be drowned out

by the cars zooming down the road. If only they knew.

Kevin realised I had cum and asked me if I wanted to stop. I wasn't going to let him go without spilling his load so I got him to lay on his back and straddled his dick.

It was a bit uncomfortable but I rode him for all I was worth and even had another orgasm before he eventually came.

£120

After he had spunked up inside my twat I felt really sticky. We got dressed and returned to the car just as another car was pulling up.

Typical! We wanted to get caught at it and missed out on being discovered by a matter of minutes. Maybe next time! Jenny, Bristol.

She's heard all the up the Villa jokes a million times over so don't bother trying them on this lass, especially since Aston is actually a Birmingham City fan. And she couldn't take a whole team on at once. "Can you imagine getting fucked by so many blokes? The most I've had at one time is four and that was too much for me. I couldn't concentrate on all four dicks at once and when they all started cumming I didn't know whose spunk I should get in my mouth first. Fortunately they all jizzed on my tits and I had a big swirly mess of spunk to devour — yummy!"

Forty jinks

My husband recently took me out for my 40th birthday to this pub on a caravan site. Not exactly romantic I hear you say!

We were talking to this guy called Brandon and my hubby told him it was my birthday. Brandon asked if he could give me a birthday kiss and my hubby nodded his approval.

I had been expecting a

his car, opened the rear door and bent me forward over the seat.

He ripped my knickers down and the next minute I was screaming with ecstasy as his big cock penetrated me from the rear.

Unlike my husband, Brandon slowly began to grind his cock round and round inside me. Within minutes we had simultaneous orgasms.

Our performance had attracted an audience so

My hubby and six more of their mates all crowded inside the caravan to enjoy the show.

One of the guys tongued me and the other got on top of me and fucked me for

about five minutes. I never came but made up for that with the other guy.

I rode him until I finished up with two orgasms and a 40th birthday to remember!

peck on the cheek but suddenly I was in this guy's arms and I was being kissed passionately.

Instinctively I responded as he slid his hands down my back and under my miniskirt to grasp my plump round buttocks.

Then he pulled my crotch tightly up against his and I felt his big hard cock pushing against me.

I managed to break off our kiss to look across at my husband who smiled and nodded his approval again.

Then Brandon led me to

when Brandon pulled out I began feeling two guys stroking my behind.

This felt so good, especially when one of them slid his hand between my legs and started frigging my pussy. He obviously didn't mind fingering my cunt that was dripping Brandon's spunk.

One of the guys invited me back to his caravan, quickly followed by the other guy and my hubby.

They stripped me off, eased me down on the mattress and introduced me to my first ever threesome.

Joy Riders!

Stocking-clad slut duo Danielle and Poppy are new to the lesbo-licking game but picking it up rather quickly. Last week they were both obedient housewives, this week they're ardent scissor sisters. "If I had known being a lesbian was so much fun I would have tried it ages go," claims dirty Danielle. "Mind you, Poppy makes it seem so easy beacuse she's got such a tasty twat. I thought sucking dicks felt good but once I got stuck in between her legs I've realised what I've been missing. Now we've made a pact to make up for lost time and I can't wait to taste all that cunt!"

I Made CONTACT

Thousands of horny readers have met through Escort Contact – and this is where they tell us what happened...

SOPHIE, WILMSLOW.
32-26-32G, 31 years old. Star Wife, p. 54. "I would love to bum my boyfriend with a strap-on – the bigger the better!"

Sophie from vol 28 no 10 has a swell pair and she doesn't mind sharing them. But don't tell her fella!

Dear Escort,

My boyfriend and I decided to go out for a night in Manchester. I put on a black dress with some over-knee socks and, most importantly, no knickers. I just felt like being a bit naughty that particular night.

We'd been in a few bars and I was feeling quite merry.

was Karen and she was with some friends but she'd had a row with one of them, so she had to come to the bar to cool off.

We both got chatting,

doing it with her.

We both needed the loo so we went together. We went into the same cubicle and I just came out with it. I told her that her lips were

SLAPPER!

When we reached the third bar my boyfriend went off to the toilet and I went to get a round in at the bar.

While I was waiting to be served I got talking to this stunning girl. She was blonde with the most gorgeous lips I'd ever seen. I instantly envisioned her licking my pussy. It turned out her name

having a laugh and started drinking together. Pretty soon we were necking shots of tequila slammers.

My boyfriend was nowhere to be seen but I wasn't really that bothered because my mind was on Karen. I just kept getting these sexual thoughts in my head and I got rather wet thinking about

gorgeous and I would like to kiss her.

On hearing that, she grabbed me and we ended up having a full-on snog. I couldn't believe it was happening because she was so fucking fit.

I opened up her top and felt her tits - they were so firm with huge nipples. Big

TEQUILA

nipples have always been a huge turn-on for me so I was in my element and started sucking them.

I put my hand up her skirt and was pleased to find she had no knickers on either. We both started giggling and she obviously didn't mind what I did to her.

I thrust a couple of fingers inside her fanny and it wasn't long before she was really wet down there.

Everything was getting so full-on. Karen was playing with my tits but I wanted her

A

more. I took control and I put another finger up her sloppy twat.

Soon I had four fingers in her making her want to climax. Then she shouted, "I'm cumming!"

I came just thinking of her. I put one of my fingers up her arse and she came with her hot juices dribbling down her legs.

I went to my knees and licked it all up, she tasted really sweet.

Then there was a bang on the door followed by someone shouting: "Get the fuck out, we're waiting to have a piss!"

I had forgotten all about anyone else. Karen and I just looked at one another, pulled ourselves together and opened the door.

There was a queue of angry looking girls glaring at us but Karen and I just looked at each other and laughed.

When we went back into the pub my boyfriend was fuming. He hadn't got a clue where I had been and he certainly didn't know what I'd been up to!

Charlie

It's said a woman's jewellery can tell us a lot about her and we think Charlie's neck adornments speak for themselves. Or at least give us some idea of what a serving of spunk would look like oozing between her gorgeous globes. "I love getting a faceful of cum and then letting it trickle down my body," she admits. "I recently went to a party where three guys took turns wanking all over me. I was covered in so much of their sticky mess in the end if it really was made of pearls I'd probably be a millionaire. Unfortunately it's not so I scooped up as much as I could and then disposed of it the only way I know how — down my throat!"

REAL WIFE SEX

Sasha's story continued from page 21

When I'd had enough of her sucking my nuts I pulled them out and gave her my dick to taste. She licked the tip to experience her own cunt juices and then I plunged it in.

Sasha loves deep-throating my cock and managed to get me so close to cumming I had to pull out. As soon as I withdrew she took charge again and demanded that I fuck her arse.

I turned her round and spread her perfect bum cheeks. Rather than stick my cock right up there I thought I'd give myself a bit more staying power so I started licking her ring.

Sasha wriggled every time I swept her hole with my tongue. She began swearing again and begging me to stick my cock up there. What the lady of the house wants, the lady of the house gets so I stood up, positioned myself and stuck it in.

She groaned as my cock burrowed up her backside. When I was in to the hilt I started pulling back and forth very slowly to the sound of further moans.

Eventually, when Sasha got used to the anal intrusion she begged me to speed up. Once again I did as she said but spying the riding crop to my side

gave me an idea and I picked it up.

At first I lightly whipped her cheeks as I did her up the bum. Then I reached round with the crop and began to swat

I started licking her ring

her pussy lips. Sasha yelped with each stroke and this encouraged me to increase the tempo.

By this time Sasha started yelling and told me she was about to cum. Her movements were so spasmodic I pulled my cock out of her arse until her orgasm

was over. Then I got her to turn round and wank me off.

With both Sasha's hands pulling on my cock and my own pelvic thrusts I soon had that feeling in my balls. A few more tugs is all it took before a torrent of my dirty seed sprayed out.

The cum splashed all over Sasha's face and try as she might with an open mouth she couldn't catch it all. Seeing the posh tart with her face covered in my muck always gave me a smug feeling of satisfaction. But obviously not as satisfying as having my balls emptied! 5

**"I'm always soaking wet!"
It's never clean with sexy slut Sandra!**

Sandra

Slutty scrubber Sandra always needs to wipe down after a filthy fingering session. The horny housewife has to do something to satisfy herself while the master of the house is out earning a crust. "I don't think he'd mind that I play with myself when he's not here but I just get off on the idea that I'm being naughty. Last week he almost caught me cumming on my fingers when he came home from work early. I reckon one day he'll find me with my fingers wedged up my twat, screaming my head off. But knowing what a dirty bastard he is he'll be fucking me in no time!"

Fill my box

Since appearing in vol 29 no 2 I've had a terrific response from readers. One that stood out was Gary from Leeds so my husband and I decided to meet up with him.

We arranged to meet at a hotel and act out one of my fantasies, which is was to be fucked senseless by another man while my hubby watched.

When Gary joined us in our hotel room the men got undressed. My hubby sat on the sofa in the corner of the room while I got undressed in front of them. I could see Gary's cock was rushing with blood just from looking at me.

I got naked and wore nothing but my black stilettos. I walked over to Gary and

me

kneled down to grab his large semi.

His cock was fucking massive. I put it in my mouth sucking gently but firmly feeling it go harder and harder.

Every now and then I let his cock go to the back

of my throat, almost gagging me, listening to his stifled groan as he tried not to cum too soon. My husband sat there in amazement, wanking furiously.

I lay on the bed and let him lick my juicy wet cunt.

His fat tongue firmly licked my clitoris while he dug his fingers deeper in and out of my pussy.

I was in ecstasy and was cumming on his face in minutes. I couldn't keep quiet and moaned out loudly.

Happy landing

My fella Mike had been working away for a couple of months and although he left me with a good selection of dildos they didn't really do the job.

I didn't want to be unfaithful either so I just had to be patient.

As you can imagine by the time he was due back I was absolutely gagging for it – and it led to one of the filthiest fucks we've ever had.

I went to the airport to pick him up and while he was going through customs I sent him loads of dirty text messages telling him just how horny I was. When he came through and saw me I leapt over the barrier, ran towards him and jumped up. Mike caught me in his arms and I instantly felt the bulge in his trousers.

"Let's get to the car park, now!" I insisted.

As we put the luggage in the boot of the car Mike pulled up my skirt, tugged my knickers to the side and stuck his cock in my twat.

There were a few people on the other side of the car park but they couldn't see what we were up to.

Marie,
Leeds

I let him pound me good and hard and just as we were both about to cum a car pulled into the space right next to us.

We managed to get inside our car before they could see that I had my knickers around my ankles and Mike had a massive erection poking out of his jeans.

We waited until the people had got out and then I leaned over and took his cock in my mouth. It tasted of my own juices and that turned me on even more.

I took Mike right to the back of my throat and sucked him off until he came down my throat. You could tell he hadn't fucked me for ages

Kelly, Huddersfield

I made Gary climb on. I couldn't wait to get his large pork sword inside me.

Letting him put his massive cock in felt great. He stretched me slightly but being so wet he got it in and it felt orgasmic.

My hubby was loving every minute of it, watching this bloke fuck his wife.

Gary started grinding and pumping his cock deeper into

my twat. Soon he shot his sticky cum up me, groaning as his mess flooded my cunt.

My hubby could not hold back any longer and straddled over me.

I put his cock in my mouth and he came instantly. I duly swallowed his seed with delight.

Both men looked completely satisfied and I was happy to tick another fantasy box! Kelly, Huddersfield.

because the streams of spunk just kept coming.

In the end I had a right mouthful and had to spit it out

the car window as we sped home – so Mike could give me my first proper orgasm in months! Marie, Leeds.

Flash fuck!

I am writing this letter to you and all your readers who are very good for writing to my wife Delia since her appearance in vol 29 no 5.

We have met several men through your mag.

Delia is a flasher and she loves men seeing everything she's got. And she's got a lot.

She flashes to trains, lorries, the lot. We even went to a garden centre and then ended up at the beach where Delia loves showing it off.

We took a lot of photos of each of us posing with her then it was her turn to give us all a hard-on. By this time we all ready to shag the arse off her.

We went to the sand dunes, all got undressed and started

Our last encounter was with two men who wrote to her saying they loved her photos in your mag and wanted to meet her for real.

When we met up with them my wife wore a very short skirt and low cut top. The four of us then went to a few places I usually take my wife flashing.

licking Delia's tits and her cunt. She had one cock in her mouth and one spunking on her tits.

Delia loves having different men so she was shagged for ages until we were all knackered. Now we can't wait to meet more of your readers for the same sort of fun!
